MEMORANDUM FOR THE DIRECTOR:

1. This memorandum is for information only.
2. Leverette A. Chapin, whom you are seeing at 2:30 P.M. today, is an editorial writer on the DENVER POST, of which paper Palmer Hoyt is editor and publisher. The daily circulation is over 330,000. Chapin is only in Washington for a few days to see the government in operation. He apparently knows many people in government. Barnett Nover, who is the Washington representative of the DENVER POST, told me that Chapin spent yesterday on the Hill, and gets around without any help from the Washington office. Nover did not know just what Chapin will have in mind but figures he wanted to meet you as one of the best informed people in government.
